

refugees, asylum seekers and moving to a new country; starting school; fears and anxieties; celebrating diversity and many more.

For customers who are unable to visit the library in person, we may be able to arrange to bring a selection of items to you via our [Essential Delivery Service](#)

Our opening hours vary so please check for your [local library](#) before visiting.

Libraries are also a source for information on many different subjects and can put you in touch with other organisations who offer help and advice. If we don't know the answer we will find out!

## **Computers and IT**

Libraries have public computers with free access to the internet if you are a member, including our online reference library. There is also free Wifi in libraries for people to use their own devices. We also have a [Remote Digital Support](#) service where staff and volunteers can help people at home by phone who may be having difficulties joining us online, downloading eBooks or using any other part of our online offer or Computer Buddies in some libraries who can also help and should be booked in advance.

## **Regular activities**

We hold free [regular activities](#) for children and adults including Rhymetime, Story Time, Knit and Natter, Board Games, Relax with Colouring and Reading Groups as well as extra events such as author events and drop-ins by other organisations.
